

SAALFELDEN LEOGANG CARD

The Löwen Alpin Card is now Saalfelden Leogang Card, and valid all year round

The Saalfelden Leogang Card is a free card for tourists. Until now, it was only valid in the summer, but from 1 May 2019, the practical card will be valid all year round and now allows winter holiday-makers in Saalfelden Leogang to use the cable cars and take part in the tourism programme.

The new Saalfelden Leogang Card lets you experience more. Holiday-makers can get active on the mountain or in the valley, take part in guided hikes in the snow or in summer weather, partake in the cultural programme, and enjoy bathing or tobogganing. The Saalfelden Leogang Card lets you use over ten services free of charge in summer and winter – some once per stay, some daily and others as often as you want. Many other services are discounted.
