RESPEKTIERE DEINE GRENZEN KNOW YOUR LIMITS

Die Naturlandschaft Salzburgs bietet Platz für Wildtiere, Pflanzen und Menschen. Voraussetzung ist jedoch, dass Sie sich als Naturnutzer oder Naturnutzerin an gewisse Regeln halten. The natural landscape of Salzburg provides space for wild animals, plants and people. It is essential for this that you stick to certain rules:

- Beachte Ruhezonen:** sie sind Rückzugsgebiete für Wildtiere und seltene Pflanzen.

Bleibe im Wald auf den markierten Routen und Wegen: so können die Wildtiere sich an Wanderer und Freizeitsportler gewöhnen.

Meide Waldränder und schneefreie Flächen: sie sind die Lieblingsplätze der Wildtiere.

Führe Hunde an der Leine: Wildtiere flüchten vor freilaufenden Hunden.
- #1** Respect the quiet areas: the areas are a retreat for wild animals and rare plants.

#2 Stick to the marked routes and paths in the forest. This allows wild animals to get used to walkers and sportspeople.

#3 Avoid the edges of forests and snow-free spots: they are wild animals' favourite places.

#4 Keep dogs on a lead: wild animals flee from dogs roaming off leads.

NORDIC PARK SAALFELDEN

ES MUSS NICHT IMMER SKIFAHREN SEIN:

- Der Nordic Park Saalfelden am Ritzensee bietet kilometerlange Loipen, Winterwanderwege, Action und Kulinarisches. Was er zu bieten hat?**

Langlaufen: Top gepflegte Loipen – wie die Kollingwald Loipe (4,9 km), die Rennloipe der Weltklasse (4,7 km) oder die Flutlicht Loipe Ritzensee (1,8 km) für spätabendliches Vergnügen.

Fun & Snow Park: Kleine Hügel und Schanzen, leichte Abfahrten und Kurven im beliebten Fun & Snow Park ermöglichen kleinen Langläufern Spaß & Action.

Winterwanderungen: Drei Rundwanderungen stillen die Wanderlust auch in der kalten Jahreszeit. Die Haidrunde (11,8 km) ist ideal für längere Wanderungen mit wechselnden Landschaften.
- Die Lettingrunde (7,1 km) ist eine kürzere Alternative. Für einen Spaziergang bietet sich die halbstündige Ritzensee-runde an.

Natureislaufbahn Ritzensee: Ob Eislaufen oder Eisstock-schießen – der Ritzensee macht's möglich.

Biathlon: Wenn Ausdauer auf Konzentration trifft: Saalfelden Leogang ist eine der beliebtesten Biathlon-Regionen Österreichs. Und auch für den Nachwuchs ist gesorgt: Interessierte Kinder können beim wöchentlichen HSV-Vereinstraining in den Sport hineinschnuppern.

Kulinarische Erlebnisse: Für das leibliche Wohl sorgen das Restaurant Ritzensee mit Seepanoramablick, das Ritzenhof Hotel & Spa am See und die Klampfererhof mit gemütlichem Stüberl.

IT DOESN'T ALWAYS HAVE TO BE SKIING:

- The Nordic Park Saalfelden at Lake Ritzensee offers several kilometres of cross-country trails, winter hiking paths, action and culinary delights. What the park offers?

Cross-country skiing: trails for all levels, such as the 4.9 km Kollingwald Trail, the 4.7 km World-Class Racing Trail or the Floodlight Trail (1.8 km) for a late-night training.

Kids' fun & snow park: Small hills and jumps, gentle slopes and curves guarantee fun & action for little cross-country skiers.

Winter hiking: Enjoy the feeling of "Wanderlust" even in the briskest wintertime. The Haid Trail (11.8 km) – ideal for long walks. The Letting Trail (7.1 km) – shorter, but no less scenic. And the Ritzensee Trail (30 min.) for a brief stroll.
- Natural ice rink: Ice skating or curling – Lake Ritzensee is transformed into a mirror-smooth surface atop a thick layer of ice providing endless winter action.

Biathlon: Where endurance meets concentration: Saalfelden Leogang is highly esteemed for its biathlon facilities.

Of course the younger generation is not ignored: children can try out this sport every week at the local ski clubs' training session.

Culinary experiences: You will find culinary delights at the Restaurant Ritzensee with a breath-taking lake view, the Ritzenhof Hotel & Spa am See and the cosy Klampfererhof.
