Helmet Cameras

All riders who want to use a camera on helmet peak/visor, or on the bike, need to sign a waiver for this. The waivers will be available at the UCI secretary. Once signed, the waivers will be valid for all the season.

Team Bibs – B-Zones

We are continuing to strive for better security in the B-Zones during training and competition and are instructing marshals to ensure the only people allowed in a B-Zone are wearing a bib, this now includes any UCI staff or Commissaires. We have considered the needs of team staff to be present in B-Zones for coaching, video/performance analysis, or other purposes so a 'Team Bib' is available upon request. If interested, these will be available to pick up from the UCI office onsite but we do ask for a €50 refundable deposit to ensure they are returned at the last round in Snowshoe.
